Shareholders should also read the Explanatory Notes and the General Notes to this Notice which are set out on pages 12 to 17 of this document. Those notes provide further information about Shareholders' entitlement to attend, speak and vote at the Annual General Meeting (or appoint another person to do so on their behalf).

EXPLANATORY NOTES

Resolution 1 – Receive and approve the reports and accounts

Shareholders are being asked to receive and approve the Annual Report and Accounts of the Group and the Company (as audited by BDO LLP) for the year ended 31 March 2022 together with the associated reports of the directors and the auditor.

Resolution 2 – Final dividend

Shareholders are being asked to approve a final dividend of per Ordinary Share for the year ended 31 March 2022. If Shareholders approve the recommended final dividend, it will be paid on 30 September 2022 to all Shareholders on the Company's register of members on 16 September 2022.

The final aggregate dividend of 4.22 pence per Ordinary Share consists of an interim catch-up dividend of 0.56 pence per Ordinary share and a final dividend of 3.66 pence per Ordinary Share, which aligns the Company's dividend policy going forward.

Resolutions 3 to 4 inclusive – Re-election of Directors

The Board applies the provisions of the QCA Corporate Governance Code published in 2018. Accordingly and in accordance with the Company's articles of association, one-third of Directors of the Company are retiring and offering themselves for re-election.

Resolutions 5 and 6 – Auditor Appointment and Remuneration

The auditors of a company must be reappointed at each general meeting at which accounts are presented. Resolution 5 proposes the reappointment of BDO LLP as auditors of the Company. The Board, on the recommendation of the Audit Committee, recommends the reappointment of BDO LLP and BDO LLP has agreed to continue as the Company's Auditor until the conclusion of the next AGM at which the accounts are laid before the Company. In accordance with best practice, Resolution 6 is a separate resolution which gives authority to the Audit and Risk Committee to determine the auditor's remuneration.

Resolution 7 – Authority to allot shares

This resolution complies with the Investment Association Share Capital Management Guidelines issued in July 2016. The Directors may not allot shares in the Company unless authorised to do so by Shareholders in general meeting. If passed, the resolution will authorise the Directors to allot: (i) in relation to a pre-emptive rights issue only, equity securities (as defined by section 560 of the CA 2006) up to a maximum nominal amount of £35,804.18 which represents approximately two-thirds of the Company's issued Ordinary Shares (excluding treasury shares) as at 18 August 2022 (being the latest practicable date prior to the publication of this document). This maximum is reduced by the nominal amount of any Relevant Securities allotted under the authority set out in Resolution 7(b); and (ii) in any other case, Relevant Securities up to a maximum nominal amount of £17,902.09 which represents approximately one-third of the Company's issued Ordinary Shares (excluding treasury shares) as at 18 August 2022 (being the latest practicable date prior to the publication of this document). This maximum is reduced by the nominal amount of any equity securities allotted under the authority set out Resolution 7(a) in excess of £17,902.09.

The maximum nominal amount of Relevant Securities (including equity securities) which may be allotted under this resolution is £35,804.18 , subject to the limitations explained above.

As at close of business on 18 August 2022 (being the latest practicable date prior to the publication of this document), the Company did not hold any treasury shares.

The authorities sought under Resolution 7 will expire on the earlier of 15 months after the resolution has passed (being the latest date by which the Company must hold its annual general meeting in respect of the year ending on 31 March 2023) and the conclusion of the annual general meeting of the Company in respect of the year ending on 31 March 2023.

Resolution 8 – Disapplication of statutory pre-emption rights

If the Directors wish to allot new shares for cash, the CA 2006 states that the shares must be offered first to existing Shareholders in proportion to their existing shareholdings. For legal, regulatory and practical reasons, it might not be possible or desirable for shares allotted by means of a pre-emptive offer to be offered to certain Shareholders, particularly those resident overseas. Furthermore, it might, in some circumstances, be in the Company's interests for the Directors to be able to allot some shares for cash without having to offer them first to existing Shareholders. To enable this to be done, Shareholders' statutory pre-emption rights must be disapplied. Accordingly, Resolution 8, if passed, will empower the Directors to allot a limited number of new equity securities without Shareholders' statutory pre-emption rights applying to such allotment. The authority conferred by Resolution 8 would also cover the sale of treasury shares for cash.

Sub-paragraph (a) of Resolution 8 would confer authority on the Directors to allot equity securities (as defined by section 560 of the CA 2006) or sell treasury shares for cash without first offering them to existing Shareholders in proportion to their existing holdings in relation to pre-emptive offers and offers to holders of other equity securities if required by the rights of those securities, up to a maximum nominal amount of £17,902.09 which represents approximately one-third of the Company's issued ordinary share capital (excluding treasury shares) as at 18 August 2022 (being the latest practicable date prior to the publication of this document) and, in relation to rights issues only, up to a maximum additional amount of £17,902.09 which represents approximately one-third of the Company's issued ordinary share capital (excluding treasury shares) as at 18 August 2022 (being the latest practicable date prior to the publication of this document).

Sub-paragraph (b) of Resolution 8 would confer authority on the Directors to allot equity securities (as defined by section 560 of the CA 2006) or sell treasury shares for cash without first offering them to existing Shareholders in any other case, but subject to a maximum aggregate nominal value of £2,685.31, representing approximately 5 per cent. of the Company's issued share capital as at 18 August 2022 (being the latest practicable date prior to the publication of this document).

This resolution is in line with guidance issued by the Investment Association (as updated in July 2016) and the Pre-Emption Group's Statement of Principles (as updated in March 2015) (the **Statement of Principles**), and the template resolutions published by the Pre-Emption Group in May 2016.

The authorities sought under Resolution 8 will expire on the earlier of 15 months after the resolution has passed (being the latest date by which the Company must hold its annual general meeting in respect of the year ending on 31 March 2023) and the conclusion of the annual general meeting of the Company in respect of the year ending on 31 March 2023.

Resolution 9 – Purchase of own shares

The CA 2006 permits a company to purchase its own shares provided the purchase has been authorised by Shareholders in general meeting. Resolution 9, if passed, would give the Company the authority to purchase any of its own issued Ordinary Shares at a price of not less than an amount equal to the nominal value of an ordinary share and not more than the higher of: (i) 5 per cent. above the average of the middle market quotations of the Company's Ordinary Shares as derived from the London Stock Exchange Daily Official List for the five dealing days before any purchase is made; and (ii) the value of an Ordinary Share calculated on the basis of the higher of the price quoted for (a) the last independent trade of; and (b) the highest current independent bid for, any number of the Company's Ordinary Shares on the trading venue where the purchase is carried out.

The authority will enable the purchase of up to a maximum of 2,148,250 Shares, representing 10 per cent. of the Company's issued Ordinary Shares as at 18 August 2022 (being the latest practicable date prior to the publication of this document) and will expire on the earlier of 15 months after the resolution is passed (being the latest date by which the Company must hold its annual general meeting in respect of the year ending on 31 March 2023) and the conclusion of the annual general meeting of the Company in respect of the year ending on 31 March 2023.

The Directors will only exercise the authority to purchase Ordinary Shares where they consider that such purchases will be in the best interests of Shareholders generally and will result in an increase in earnings per ordinary share. Purchases are expected to be financed out of distributable profits and shares purchased

will either be cancelled (and the number of shares in issue reduced accordingly) or held as treasury shares. The Directors believe that holding shares in treasury would provide the Company with greater flexibility in the management of its share capital. The Directors will also consider using any treasury shares to satisfy share options/awards under the Company's employees' share schemes.

As at 18 August 2022, the Company did not hold any treasury shares.

James Dow, Beverley Dow, Susannah Dow, Adam Dow, Jonathan Schofield, Fiona Schofield, Kate Schofield, Megan Schofield, Phoebe Schofield, Mark Watts, Julie Watts, Andrew Dodd, Joanne Dodd, Craig Richardson, Philip Price, Joanne Price (the "**Concert Party**") are currently interested in an aggregate of 14,325,060 Ordinary Shares, representing 66.68 per cent. of the issued share capital of the Company (excluding treasury shares) as at 18 August 2022 (being the latest practicable date prior to the publication of this Notice). If the Company were to re-purchase from persons other than the Concert Party all Ordinary Shares for which it is seeking authority, the Concert Party's interest in shares would (assuming no other allotment of ordinary shares) increase to 74.09 per cent. of the issued share capital of the Company by virtue of such action (excluding treasury shares).

For so long as the Concert Party holds more than 50 per cent. of the Company's voting share capital, members of the Concert Party will be able (subject to note 4 on Rule 9.1 of the Code) to acquire further shares in the Company without incurring any obligation under Rule 9 of the Code to make a general offer to acquire all of the Company's issued share capital.

General Notes

1. Attending the Annual General Meeting in person

If you wish to attend the Annual General Meeting in person, you should arrive at the venue for the Annual General Meeting in good time to allow your attendance to be registered. It is advisable to have some form of identification with you as you may be asked to provide evidence of your identity to the Company's registrar, Computershare Investor Services PLC (the "**Registrar**"), prior to being admitted to the Annual General Meeting.

2. Appointment of proxies

Shareholders are entitled to appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the Annual General Meeting. A proxy need not be a Shareholder of the Company but must attend the Annual General Meeting to represent a Shareholder. To be validly appointed, a proxy must be appointed using the procedures set out in these notes and in the notes to the accompanying Proxy Form.

Details of how to appoint the Chairman of the Annual General Meeting or another person as your proxy using the Proxy Form are set out in the notes to the Proxy Form. If you wish your proxy to speak on your behalf at the Annual General Meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them. Such an appointment can be made using the Proxy Form accompanying this notice of Annual General Meeting or through CREST.

Shareholders can only appoint more than one proxy where each proxy is appointed to exercise rights attached to different shares. Shareholders cannot appoint more than one proxy to exercise the rights attached to the same share(s). If a Shareholder wishes to appoint more than one proxy, they should contact the Registrar at Computershare Investor Services PLC, The Pavilions, Bridgewater Road, Bristol, BS99 6ZZ.

A Shareholder may instruct their proxy to abstain from voting on a particular resolution to be considered at the Annual General Meeting by marking the "Withheld" option in relation to that particular resolution when appointing their proxy. It should be noted that an abstention is not a vote in law and will not be counted in the calculation of the proportion of votes "For" or "Against" the resolution.

The appointment of a proxy will not prevent a Shareholder from attending the Annual General Meeting and voting in person if he or she wishes.

A person who is not a Shareholder of the Company but who has been nominated by a Shareholder to enjoy information rights does not have a right to appoint any proxies under the procedures set out in these notes and should read note 8 below.

3. Appointment of a proxy using a Proxy Form

A Proxy Form for use in connection with the Annual General Meeting is enclosed. To be valid, any Proxy Form or other instrument appointing a proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, must be received by post or (during normal business hours only) by hand by the Registrar at Computershare Investor Services PLC, The Pavilions, Bridgewater Road, Bristol, BS99 6ZZ at least 48 working hours before the time of the AGM or any adjournment of that meeting.

If you do not have a Proxy Form and believe that you should have one, or you require additional Proxy Forms, please contact the Registrar at Computershare Investor Services PLC, The Pavilions, Bridgewater Road, Bristol, BS99 6ZZ.

4. Appointment of a proxy through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to: www.euroclear.com. CREST personal members or other CREST sponsored members and those CREST members who have appointed (a) voting service provider(s) should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the CREST Proxy Instruction must be properly authenticated in accordance with Euroclear's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Registrar (ID: 3RA50) no later than 48 working hours before the time of the Annual General Meeting or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed (a) voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this regard, CREST members and, where applicable, their CREST sponsors or voting system provider(s) are referred to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

5. Appointment of a proxy by joint holders

In the case of joint holders, where more than one of the joint holders purports to appoint one or more proxies, only the purported appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).

6. Corporate representatives

Any corporation which is a Shareholder can appoint one or more corporate representatives. Shareholders can only appoint more than one corporate representative where each corporate representative is appointed to exercise rights attached to different shares. Shareholders cannot appoint more than one corporate representative to exercise the rights attached to the same share(s).

7. Entitlement to attend and vote

To be entitled to attend and vote at the Annual General Meeting (and for the purpose of determining the votes they may cast), Shareholders must be registered in the Company's register of members at 6.30 p.m. on 16 September 2022 (or, if the Annual General Meeting is adjourned, at 6.30 p.m. on the day two days prior to the adjourned meeting). Any changes to the Company's register of members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the Annual General Meeting.

8. Nominated persons

Any person to whom this notice is sent who is a person nominated under section 146 of the CA 2006 to enjoy information rights (a "**Nominated Person**") may, under an agreement between him/her and the Shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Shareholder as to the exercise of voting rights.

9. Website giving information regarding the AGM

Information regarding the AGM, including information required by section 311A of the CA 2006, and a copy of this notice of AGM is available from <https://dswcapital.com/investors/>.

10. Audit concerns

Shareholders should note that it is possible that, pursuant to requests made by shareholders of the Company under section 527 of the CA 2006, the Company may be required to publish on a website a statement setting out any matter relating to: (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the CA 2006. The Company may not require the Shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the CA 2006. Where the Company is required to place a statement on a website under section 527 of the CA 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. Of such issued share capital, 423,000 Ordinary Shares are held by Computershare Trustee (Jersey) Limited ("**Trustee**"), as trustee of the Company's Employee Benefit Trust ("**EBT**"). Unless the Company directs that the Trustee may vote on a particular occasion, the Trustee shall abstain from voting in respect of the shares it holds for the benefit of the EBT. If the Company directs that the Trustee may vote, the Trustee may vote, or abstain from voting, in the manner that it thinks fit in its absolute discretion.

12. Notification of shareholdings

Any person holding 3 per cent. or more of the total voting rights of the Company who appoints a person other than the Chairman of the Annual General Meeting as his/her proxy will need to ensure that both he/she, and his/her proxy, comply with their respective disclosure obligations under the UK Disclosure Rules and Transparency Rules.

13. Further questions and communication

Any Shareholder attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
